Stiftung Elektro-Altgeräte-Register (ear) - Take-back concept for waste equipment

Based on § 7a of the Electrical and Electronic Equipment Act (ElektroG), manufacturers are obliged from 01 January 2022, manufacturers are obliged to submit a take-back concept for B2B electrical and electronic equipment to the Stiftung ear.

In this regard, for Endress+Hauser (Germany) applies the following take-back concept:

Disposal: In accordance with Directive 2012/19/EU on Waste Electrical and Electronic Equipment

(WEEE), our products are marked with the symbol shown (crossed-out dustbin with bar ) to minimize disposal of WEEE as unsorted municipal waste. These products must not be disposed of as unsorted municipal waste and can be returned to Endress+Hauser under the applicable return policy.

Note on returns: As an ISO-certified company and due to legal requirements, Endress+Hauser is obliged to ensure a safe, professional and quick return of all sent-back products that come into contact with the medium.

Information on the procedure and general conditions can be found on the Endress+Hauser website at the following link, including the online return registration and the decontamination declaration:
